[11:36] <zahvone> Heavy rain track is the best.  
[11:36] <sidella434> hi  
[11:36] <zahvone> @Sidella434 Hello.  
[11:37] <bethelewd> with telltale i know that the first episode is  
usually the longest out of the whole season being around 2 and half hours  
and the rest are usually 1 and a half till 2 hours  
[11:37] <jii\_el> my man ghost  
[11:37] <sidella434> hey @zahvone  
[11:37] <retrocerverus> heavy, heavy is the rain, it is a heavy molocue  
[11:37] <zahvone> @RetroCerverus The rain has lots of mass and weight.  
[11:37] <thatanonybear> if DSP sings a couple lines fom a Christmas song  
during prestream, I'll make a song for it :P  
[11:37] <sidella434> this a remix?  
[11:37] <wxrxaxtxh> yes  
[11:37] <thatanonybear> upload to Youtube and all that  
[11:37] <zahvone> @ThatAnonyBear Did you beat Mcgregors ass yet?  
[11:37] <rx93gundamm> yoyoy  
[11:37] <retrocerverus> @Zahvone dspHm that's the line, i knew it had  
sumthing to do with science  
[11:38] <sidella434> it's NICE  
[11:38] <thatanonybear> @Zahvone I usuallybeat people who use McGregor in  
Ultimate Team mode, but not on stream iirc  
[11:38] <zahvone> @RetroCerverus Heavy is the rain

[11:38] <vendatus> the timing LUL  
[11:38] <zahvone> @ThatAnonyBear I'm thinking about picking up UFC 3 but, apparently it's even worse with microtransactions and lootboxes than Battlefront was  
[11:38] <orionrogue> oh my I've missed this remix  
[11:38] <zahvone> and volume  
[11:38] <takumibun> heavy is the rain Kreygasm  
[11:38] <zahvone> This has to be the best remix lol.  
[11:38] <thatanonybear> @Zahvone UFC 2 is basically just as bad, it's mostly pay to win  
[11:38] <sidella434> Yes  
[11:38] <rx93gundamm> you speled i spawn i die wrong  
[11:39] <bethelewd> no the best remix is the sonic one

[11:39] <retrocerverus> true fact, I used phil's heavy rain line for a novel of mine, but changed rain with darkness.  
[11:39] <bethelewd> then back in time  
[11:39] <jii\_el> i forgot about this  
[11:39] <zahvone> @ThatAnonyBear Well, I mean in UFC 3 apparently you pay for things like basic punches.  
[11:39] <orionrogue> I really like "I spawn, I die!" too  
[11:39] <glitch\_crazed> You should put songs like Rudolph and Santa Claus is coming to town in prestream @darksydephil just an extra touch for Christmas  
[11:39] <zahvone> Though I'm not entirely sure about that.  
[11:39] <bethelewd> and 3rd is this  
[11:39] <vendatus> back in time dspPepe  
[11:39] <zahvone> @RetroCerverus That's incredible. :D

[11:39] <thatanonybear> @Zahvone you can pay to earn upgrades through lootboxes for better basic jabs in US=FC 2 too  
[11:39] <thatanonybear> \*UFC 2  
[11:39] <rx93gundamm> i love watching phil eat too

[14:43] <thatanonyraccoon> Kekon, go play Tekken --  
[14:43] <aes0411> @kozatof MGS 5 is good. I personally prefer 3  
[14:44] <kekon3> 4 is okay, 5 is just a remake of Peace Walker so you don't have to play Peace Walker  
[14:44] <paddingtonbear187> HAHAAHHhahahahahahGhahahahahagagagagh InuyoFace InuyoFace InuyoFace InuyoFace  
[14:44] <darkerashin> what a laugh indeed  
[14:44] <theycallmejimbob> :o  
[14:44] <thatanonyraccoon> i love the cadence of DSP's laugh  
[14:44] <kekon3> 3 is cool but radically different. MGS2 still has the MGS1/Twin Snakes system

[14:44] <aes0411> @Kekon3 If it was a remake of Peace Walker, then they would have the same story. They don't You are either trolling or talking out of your ass :)

[14:45] <drunkonthebathroomfloor> Guardians of the Galaxy: The Telltale Series is a mario like

[14:45] <drunkonthebathroomfloor> :)

[14:45] <kekon3> Lol, but why would you even play Peace Walker after MGSV happens? for the story? just cutscene it

[14:45] <kekon3> Then just play MGSV for the good version of PeaceWalker gameplay

[14:46] <hands\_celebratory> woooo

[14:46] <kekon3> MGSV does so good with the Peace Walker Formula, it's impressive

[14:46] <aes0411> @Kekon3 Why would you play any MGS? You play to experience the gameplay and the story at the same time. Yes, MGS5 has a lot of grinding, but it is still a decent game. The only questionable part about it was the extra chapter that felt woefully shoe-horned in there

[14:47] <hands\_celebratory> LUL

[14:47] <kekon3> You mean the extra bit in Peace Walker?

[14:47] <kozatof> Song is garbage

[14:47] <kekon3> with Paz?

[14:47] <divanerasmus> This is For my Chanel Bitch

[14:47] <aes0411> @Kekon3 It wouldn't be that bad if you didn't need to re-play certain missions

[14:48] <verykorean> When oes the stream star?

[14:48] <kozatof> Never

[14:48] <somone192> this is for what now

[14:49] <paddingtonbear187> CHINKY CHAWNG CcreamAwk MingLee MingLee

[14:49] <kekon3> but yeah, I put the story in Peace Walker over MGS3 actually, mostly cause of the execution on the peace walker itself and the mission lead up

[14:49] <kekon3> MGS3 was best in gameplay but I'm only warm on it's story

[14:49] <hands\_celebratory> nfs next?

[14:49] <kekon3> and MGSV story just kinda made me sad cause of the obvious reasons

[14:50] <kekon3> Then again, played Peace Walker on PSP, that control scheme was lmao

[14:50] <thatanonyraccoon> i barely got anywhere in MGS V, I should restart it

[14:50] <glitch\_crazed> I'm back

[14:50] <kekon3> maybe it's fine on PS3

[14:50] <thatanonyraccoon> even a bad MGS is a brilliant game
